*Dear Islip Town Residents,*

The Islip Town Board and I are very pleased to present the 2020 Fall issue of the Recreation News. We hope you will take advantage of the activities and educational opportunities available as we enjoy the clean, crisp Fall air.

While COVID-19 has interrupted some of our scheduled programs and recreational activities, there remains beautiful parks and beaches to enjoy throughout the Town of Islip, for an exhilarating jog or walk any time of day.

Hurricane season is upon us. Being prepared for an emergency is crucial at home, school, work and in your community. Disaster can strike quickly and with little warning. It can force you to evacuate your neighborhood, workplace or school, or can confine you to your home. Please visit our website, [www.islipny.gov](http://www.islipny.gov) and take a moment to review our Hurricane Preparedness flyer for essential safety and planning information.

An easy way to prepare for hurricane season is to sign up for our Town's informative **e-Alert program** online. E-Alerts are the fastest way to receive important announcements and information as soon as it becomes available.

We must be mindful of COVID-19 as we head into Fall. Please get your Flu shot and remember the **4 W's...** **Wear** a Mask; **Wash** your Hands; **Watch** your distance by keeping 6' apart; **Windows**, please keep windows open whenever possible.

Please do not hesitate to call us should you have any questions about our programs and parks. The Parks Department can be reached at (631) 224-5411 and will be happy to assist you.

Warmest Regards,

**Angie Carpenter, Supervisor**
